Subject: Update on SEC Registration of Paraclete Integrated Agro-Forestry Producers and Developers Association (PIAFDA)

Dear **OIC RED Salazar**,

Warm greetings!

This is to inform you that the SEC registration application for **Paraclete Integrated Agro-Forestry Producers and Developers Association (PIAFDA)** was **DISAPPROVED** on **May 9, 2025**.

Following this, we convened a meeting with **Mr. Russel** from CENRO Palo and **Mr. Joel M. Regato** of PIAFDA to discuss the required changes. A new organizational name was proposed and submitted to the SEC on **May 15, 2025**. The application has since received **PRE-APPROVAL** under the revised name: **DIVISORIA - BASPER - SALVACION - PALANOG - SAN ISIDRO Agroforestry Development Inc. (DBSPS-AD Inc.)**

This update follows our previous handover of a copy of the requirements for SEC documents to CENRO Office Palo on **26 May 2025**, received by Mr. Russel to facilitate the signing of By-Laws, Articles of Incorporation and Certificate of Authentication.

As of **May 28, 2025**, the complete **signed and notarized** registration documents have been formally submitted to the SEC, and we are currently awaiting the result for us to proceed with payment and other required process for registration. We shall provide your office a copy of the SEC Certificate of Registration once issued for your reference and official records.

Thank you for your continued support and guidance.

Very truly yours,

PETRONILO “Pete” L. ILAGAN

Chairman and President
