Dear Engr. Solite,

Warm Greetings!

This refers to your memo to DENR-VIII Regional Executive Director on the subject **“Regenerating the Landscape of the Tigbao Watershed and promoting sustainable Livelihood in Tacloban City”** A project proposal submitted by **PH Haiyan** dated March 14, 2025, of which we were furnished a copy.

On your suggestion that, *“Proponent should coordinate with the City LGU of Tacloban to avoid conflict or possible partnership collaboration”*, may we respectfully request for copy of the LGU of Tacloban’s transmittal letter pertaining to its plan of creating a **“Tarsier Sanctuary”** to enable us to immediately initiate coordination and possible partnership collaboration with the city government of Tacloban.

We look forward to your immediate and favorable response.

Thank you.
